Why Habitat for Humanity of Omaha?

Habitat for Humanity of Omaha supports our neighbors to achieve strength and stability through homeownership. Habitat Omaha builds homeownership opportunities throughout Burt, Cass, Douglas, Sarpy and Washington counties. Through one-on-one coaching, homebuyer education classes and post-purchase support, individuals and families get the tools they need to become mortgage ready – whether they purchase a Habitat Omaha house or choose a different path. We build and renovate quality homes that are then sold through affordable loans. Habitat Omaha homeowners complete financial literacy, homeownership workshops and up to 275 hours of sweat equity.
