

2019 By The Numbers

These numbers and the results they represent would not be possible without our many valuable partnerships. Together, we responded to devastating floods, provided affordable home loans to families, helped individuals repair their houses, and so much more. We are honored to work side-by-side with you in making Omaha an even better place to call home.

\$549,000+
in property taxes
paid by Habitat Omaha
homeowners
