9. Share Our Table: community based food security collaboration
 - a. The result of a two-year, multi-sector planning process convened by [United Way of the Midlands](#), Share Our Table is an opportunity for everyone who works to improve access to healthy foods to join forces. Public, private, governmental, independent, academic partners all share similar goals to support our region and by working together, great impacts will be seen. With the launch of Share Our Table, we are excited to announce that [Live Well Omaha](#) will provide the backbone support needed to carry the collaboration into the future.
