Four Months of Women Build Construction Completes House And Provides a Home for Omaha Man and Daughter

For Immediate Release: Thursday, July 14, 2022

What

Less than four months after construction began, the Women Build home is complete and the keys are ready for Marcus Bryant and his daughter to move in.

When

Friday, July 15 at 1 p.m.

Where

[2851 Manderson St.](#)

Who

Mr. Bryant and family members, Habitat Omaha's Women Build crew and volunteers, Habitat officials and representatives from Bryant's employer, North End Teleservices.

Why

To celebrate home ownership, successful affordable housing efforts in the north Omaha community and the dedicated women volunteers who serve the community by building homes. This is the 25th year of the Women Build program.

About Habitat for Humanity of Omaha

Founded in 1984, Habitat for Humanity of Omaha builds and renovates homes, repairs existing houses, takes down blighted structures and advocates for better laws and systems. We also work with individuals and families to help them acquire the access, skills and financial education necessary to become successful homeowners. In 2021, Habitat Omaha homeowners contributed almost \$900,000 to Douglas County in property taxes. This year Habitat Omaha will help 300 families become mortgage ready and purchase a Habitat home or a house on the open market. Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability and self-reliance they need to build better lives for themselves. Through shelter, we empower. To learn more, visit habitatomaha.org.
