Why Habitat for Humanity of Omaha?

Habitat for Humanity of Omaha supports our community to achieve strength and stability through homeownership. We build and renovate quality homes that are then sold through affordable loans. Habitat Omaha provides homeownership opportunities throughout Burt, Cass, Douglas, Sarpy and Washington counties. Our Home Journey program provides one-on-one coaching, homebuyer education classes and post-purchase support. Individuals and families get the tools they need to become mortgage ready. In addition to financial literacy classes, future homeowners complete up to 275 hours of sweat equity.

In 2023, Habitat Omaha provided mortgage-ready counseling for more than 300 families.
